BUILDING PERMIT  
APPLICATION

The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 Uniform Construction Code, and any additional approved building code requirements adopted by the Municipality.

The property owner and applicant assumes the responsibility of identifying all property lines, setback lines, easements, right of way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel, or set aside any provisions of the codes, documents, or ordinances of the municipality or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinances, and regulations.

Application for a permit shall be made by the owner or lessee of the building or structure, or agent of either, or by the registered design professional employed in connection with the proposed work.

I certify that the code administrator or the code administrator's representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
