Inspections of the property shall be completed in a uniform and non-arbitrary manner pursuant to a written policy created at the direction of the City Manager. Inspections of every dwelling shall occur no less frequently than once every two (2) years under the policy. The policy shall attempt to provide the least inconvenient means as possible to the occupant, including encouraging the completion of inspections during changes of occupancy or vacancy or upon the receipt of identifiable, good faith complaints.

(b) All inspections shall be completed following written notice to the landlord and the occupant of the dwelling. Said notice shall meet the following requirements:

The City may charge a fee for rescheduling the inspection.
4. If access to the dwelling or dwelling unit to conduct the inspection is refused, the NOOP Official shall apply for and obtain an administrative search warrant, pursuant to law, and upon obtaining said warrant, enter the premises to conduct the inspection.

(c) All inspections shall be conducted in accordance with the following requirements:

The items inspected shall be inspected for compliance with the current version of the International Property Maintenance Code in effect, as per City ordinance.
3. Inspections shall be done in the presence of the landlord and/or occupant or their designee who is 18 years or older unless the inspection is conducted pursuant to an administrative search warrant and the landlord and occupant both refuse to be present during the inspection, in which event the NOOP Official shall document the refusal in writing and conduct the inspection in the presence of a person to be designated by the City Manager.

(d) In the event that a dwelling or dwelling unit fails to meet the inspection requirements, the NOOP Official shall provide written notice of the violations to the landlord and occupant as provided herein. All violations of the health and safety requirements shall be documented, through written and/or photographic evidence, during the inspection by the NOOP Official. Landlord shall be obligated to ensure that all violations are remedied, and the NOOP Official shall schedule a reinspection within 20 days, unless an emergency condition exists, in which event the NOOP Official shall proceed under Section 10 of this Ordinance. The reinspection shall be subject to a fee set by resolution of Council, which shall be due upon completion. Failure of a landlord to pay the fee shall be a violation of this Ordinance.

SECTION 6. VIOLATIONS

(a) Whenever the NOOP Official, or his or her designee, determines that a dwelling or dwelling unit is in violation of this ordinance, he or she shall, within three (3) business days of that determination, personally serve, email (with the landlord's consent), or serve written notice by certified mail, return receipt requested, or first class mail, to the landlord or the landlord's responsible agent stating that the dwelling or dwelling unit has not met the requirements of this ordinance. The notice shall contain the following:

1. A description of the real estate sufficient for identification;
2. The specific reasons why the dwelling or dwelling unit is not in compliance, setting forth the specific provisions of the standardized inspection list that the dwelling or dwelling unit is not in compliance with;
3. That unless the dwelling or dwelling unit comes into compliance within twenty (20) days of the date of mailing of the notice by correcting the violation, the dwelling or dwelling unit shall be deemed uninhabitable and the landlord's license will be revoked;
4. That the landlord has a right to file an appeal pursuant to Section 11 of this ordinance.

(b) If the notice is returned showing that the letter was not delivered, a copy of the notice shall be posted in a conspicuous place in or about the dwelling or dwelling unit and service of notice in this manner shall constitute service under this Chapter.

(c) If the dwelling or dwelling unit is not brought into compliance within (20) days of the issuance of the Notice of Violation, and no appeal has been filed, the proper City official, or his designee, shall revoke the landlord's license and shall be permitted to order the tenants to vacate the premises.

SECTION 7. COMPLIANCE REQUIRED

No person shall occupy as a tenant, nor shall any landlord permit any other person to occupy, any dwelling or dwelling unit which does not comply with the requirements of this ordinance. As of the effective date, all leases for property regulated by this Ordinance shall contain a provision requiring the Occupant to permit the NOOP Official to enter the property for the purposes of conducting inspections required by this Ordinance.

SECTION 8. TRANSFER OF OWNERSHIP

A license required by this ordinance shall not be transferable. In the event of a transfer of ownership, whether it be legal or equitable, of a dwelling or dwelling unit regulated by this ordinance, the NOOP license shall expire on the 30th day following said transfer. SECTION 9. DISPLAY/AVAILABILITY OF LICENSE

Every license issued hereunder shall be displayed in a conspicuous place within the dwelling or dwelling unit or be immediately available for production upon request of any tenant or occupant of the structure or duly authorized city official.

SECTION 10. VIOLATION(S) THAT CREATE(S) IMMEDIATE THREAT OF HARM

Upon inspection, if the NOOP Official, or his or her designee, determines that a violation creates an immediate threat to life, health or safety of the public or the occupants of the structure by not providing minimum safeguards to protect or warn the occupants in the event of fire or because the structure is so damaged, decayed, dilapidated, structurally unsafe or such faulty construction or unstable foundation, that partial or complete collapse is likely, or there is an immediate threat of bodily injury to the occupants, or if the property is in such an unsanitary condition so as to render the dwelling or dwelling unit uninhabitable, the dwelling or dwelling unit will be deemed uninhabitable and the proper City official, or his designee, is authorized and empowered to order and require the occupants to vacate the dwelling or dwelling unit immediately. The landlord's license will be immediately revoked until such time as the violation is corrected

and the proper City official, or his designee, has re-inspected the premises and certified that the dwelling or dwelling unit is in compliance with this ordinance.

SECTION 11. APPEALS

Any landlord whose license has been revoked or whose application for a license to operate has been denied or has received notice from the proper City official that his dwelling or dwelling unit is not in compliance with this ordinance may, within twenty (20) days from the postmarked date of the written notice of noncompliance or violation (or the date of personal service or sending notice through email, with the landlord's consent), appeal to the Sharon Code Appeals Board by completing and filing the proper appeal application form provided by the City and paying the required fee. The cost to file an appeal shall be contained in a fee schedule and established by Council from time to time. The fee must be paid upon filing the appeal application.

The Code Appeals Board shall meet and conduct a hearing, if requested, within twenty-one (21) days of the receipt of an appeal application. A record shall be kept of all evidence and testimony presented at the hearing.

All decisions of the Code Appeals Board shall be in writing and a copy of each decision will be sent to the Appellant and the City. The Code Appeals Board shall also retain in its files a copy of each decision. Each decision shall set forth fully the reasons for the decision of the Code Appeals Board and the findings of fact on which the decision was based.

Any person or persons aggrieved by any final order or decision of the Code Appeals Board may appeal such order or decision within thirty (30) days to the Court of Common Pleas in accordance with Pennsylvania law.

SECTION 12. FEES

(a) All fees imposed or permitted by this Ordinance shall be set from time to time by resolution of the Sharon City Council.

(b) All fees imposed and collected pursuant to this Ordinance shall be accounted for separately and shall be spent solely on expenses related to the administration of this Ordinance, which may include staffing, supplies, administrative costs, or any fees incurred resulting directly from the administration of the NOOP licensing and inspection program.

SECTION 13. PROHIBITION AGAINST RETALIATION

It shall be unlawful for any landlord or occupant to retaliate in any manner, including by wrongful eviction or to directly or indirectly threaten, intimidate, or take any adverse action or refuse to perform any duties of Landlord, against any person who shall act in good faith to make a complaint to the NOOP Official based on the landlord's failure to provide a structure that meets the basic safety of the occupant, his or her guests or invitees, or the general public, or an alleged violation of this Chapter.

SECTION 14. DESIGNATION OF RESPONSIBLE AGENT

No license shall be issued to any person or landlord as defined herein for purposes of renting or making available or permitting a non-owner to occupy the premises if the person or landlord resides outside the County of Mercer or a bordering county, or within 50 miles of Mercer County, Pennsylvania, unless such person or landlord provides to the City the name, address and telephone number of a designated responsible agent who shall meet the requirements provided in Section 2(g). Such authorization to designate a responsible agent shall be in writing and signed by the owner and/or landlord and by the designated responsible agent. Said written authorization shall be filed with the NOOP Official. Designation of a responsible agent shall authorize the responsible agent to provide access to the property and to receive notices and communications necessary or deemed to be appropriate by the City under the terms of this ordinance and to accept service of process of the initial and subsequent pleadings on behalf of the owner or landlord which may be necessary or deemed to be appropriate by the City for the enforcement of this ordinance, provided, however, that nothing contained herein shall affect the right of the City to submit notices and communications directly to the landlord rather than the responsible agent, or to serve process of any initial and subsequent pleadings in any other manner permitted by law.

Any owner or landlord to whom a license has been issued who subsequently fails to meet the requirements of this Section, or changes the designation of a responsible agent shall notify the City in writing within thirty (30) days after such change.

SECTION 15. PENALTIES

(a) Any person who shall violate any provision of this ordinance shall pay a fine in an amount of no more than \$1,000.00 and/or be sentenced to a term of imprisonment not to exceed thirty (30) days for each violation. Each day, or portion thereof, that a violation exists or continues, shall be deemed a separate offense and prosecuted as such. For a second or subsequent violation of this Ordinance by any person within one (1) year of a prior conviction of any provision of this Ordinance, the minimum fine shall be \$500.00.

(b) Any person who shall commit multiple violations of any provision of this ordinance may be subject to revocation of his or her NOOP license and deemed ineligible for license renewal under this Chapter for any property owned or directly or indirectly controlled by such person.

(c) The City shall be permitted to take appropriate action to restrain, correct, abate, or enjoin any violation of this ordinance. In addition, the City shall have the right to file a municipal lien against any property of a landlord whose actions or inactions in violation of this ordinance requires the expenditure of any funds, or the incurring of any costs, by the City with said lien to be perfected in the manner as required by law.

(d) Any person who shall have been subject to retaliation based on Section 11 of this Ordinance shall be permitted to take the proper action to restrain, correct, abate, or enjoin further prohibited conduct, said damages as provided by law.

(e) In addition to any other provision herein, any person found to be in violation of this ordinance shall be required to pay all reasonable attorney fees incurred by the City related to its enforcement.

(f) All attorney fees incurred by the City for enforcement of this Ordinance shall be properly awarded to the City in any criminal or civil proceeding.

SECTION 16. SEVERABILITY.

The provisions of this Ordinance shall be severable and, if any of the provisions hereof shall be held unconstitutional, void or otherwise unenforceable, such shall not affect the validity of any of the remaining provisions of said Ordinance.
